Class song

version 1

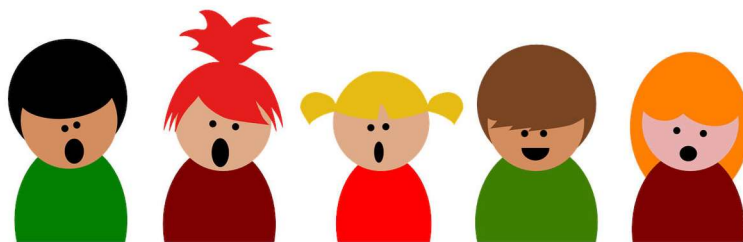

www.vanjufmarjan.nl - copyright 2024

2 to 4 people - 15 minutes.

Why not make a cool class song?
It's always fun to sing together!

Find a nice existing song or melody,
and work with a few others to
come up with an appropriate text
about our class.

Make sure you keep the rhythm
well!

You are allowed to use musical
instruments that are in the classroom.
